

Vehicle or Structure Observation Tally

Please only conduct this Tally if the structure/vehicle appears to be active and you are not able to either observe or interview its residents. If you can interview or observe the residents, then please use the other surveys to do so.

1. What type of vehicle or structure is this?	☐ Car ☐ Tent ☐ Van ☐ Makeshift Shelter ☐ RV ☐ Abandoned Building ☐ Boat ☐ Other
2. Please indicate whether or not the vehicle or structure appears to be actively being used or if it appears abandoned	☐ Appears active ☐ Appears abandoned ☐ Not sure
3. If available, please provide the last 4 digits on the license plate	Text Box
4. Please provide details on the condition of the RV	☐ RV is in disrepair (e.g.; holes; flat tires; broken windows; broken siding) ☐ Occupants do not have access to sewer; water; or electricity ☐ RV is parked in an unusual place where RVs are not allowed to park ☐ RV appears to be in good working order and is suitable for habitation
