Getting Started

How to register as a surveyor
and download the mobile app

Help us better understand homelessness in our community

Join local surveyors to help count and survey people experiencing homelessness using the Counting Us mobile app. Your participation helps our community understand local needs and plan its response.

01 Register as a Surveyor

Everyone providing Known Location data must register for an account using the Surve
Registration Portal.

Scan the registration QR code with your mobile device. After you register, you will rec
a confirmation email with instructions to set your account password.

REGISTRATION

INSERT
QR CODE

02 Download the App

Scan the QR code for your device, select an app store link, or search for Counting Us in your device's app store.

Counting Us

Google Play

Apple App Store

03 Start Counting

Log in to Counting Us with the email and password you created when registering as a surveyor.

Tap **Known Location Survey.**

Scan the Known Locations QR code for instructions on providing Known Location information.
